### Sauna

If you have BIG PACK, do not queue, you go ahead to the entrance. The Codal normaly is packed. Please, if you're a couple or go with friends, share a locker. If you've a meeting with the bear you met yesterday, we recommend the Corinto, no queue and you'll have a great jacuzzi overlooking the Ramblas.

### Pool Party

You need swimsuit, hat is not necessary. Please, if you're a couple or with friends, share locker. The lockers work with 1 euro coins. We will have an Aquagym session. There will be free soft drinks and beer. Do not have sex in the pool. This year we almost cancel pool party because lifeguard saw "things" last year. You already have the sauna to play!
